TAVI 2022 and Beyond

given by:

Professor Bernard Prendergast

*Chair of Cardiology, Cleveland Clinic London
Consultant Cardiologist, St. Thomas' Hospital, London*

Prof. Bernard Prendergast is Chair of Cardiology at Cleveland Clinic London and maintains NHS activities as a Consultant Cardiologist at St Thomas' Hospital in Westminster.

Before recruitment to London, he trained in Cardiology in Cardiff, Paris and Edinburgh and undertook Consultant posts at Wythenshawe Hospital, Manchester (2001-2007) and the John Radcliffe Hospital, Oxford (2007-2015). He has extensive experience in all aspects of Cardiology, is a clear communicator and strongly advocates

the involvement of patients and families in their care and treatment decisions.

Prof Prendergast is a national and international key opinion leader and in frequent demand as a lecturer and speaker. He has been Honorary Secretary of the British Cardiovascular and Cardiovascular Intervention Societies, and Chairman of the European Society of Cardiology Working Group on Valvular Heart Disease.

Research interests focus on the epidemiology and interventional treatment of valvular heart disease and have been associated with the publication of over 300 original articles and book chapters, including high impact leading articles in *The New England Journal of Medicine*, *Circulation*, *Lancet*, *European Heart Journal* and the *BMJ*.
