Dear Colleagues

In spite of major advances in emergency cardiac care, significant numbers of patients suffer circulatory failure with a high subsequent mortality in spite of timely revascularisation when appropriate. Resuscitation and the management of circulatory shock therefore represent a key unmet need.

The objective of the course is to bring together an expert faculty and to focus on clinical networks and pathways of care for the management of cardiogenic shock.

With best regards. Yours sincerely,

Tuesday, October 11th

08:30 - 08:45 REGISTRATION AND COFFEE		
08:45	INTRODUCTION: Education and Collaboration	Miles Dalby
09:00	Session 1: What is cardiogenic shock? <i>Chair: Thomas F. Lüscher, Richard Grocott-Mason, Sarah Clarke</i>	
09:00	Cardiogenic shock- classification and impact on antithrombotic therapy <i>The ESC 2021 position paper on thrombosis</i>	Diana Gorog
09:30	Understanding the mechanism of cardiogenic shock <i>The ESC 2021 Guidelines on HF and 2017 ESC Guidelines on AMI-STEMI</i>	Alexandre Mebazaa
10:00	Discussion	
10:30 COFFEE BREAK		
11:00	Session 2: Does Mechanical Support improve outcomes? <i>Chair: Vas Panoulas, Seth Bilazarian, Susanna Price</i>	
11:00	Update on trials with Impella: Which patient and when?	Jan Belohlavek
11:30	Update on trials of ECMO: Which patient and when? <i>The ESC 2021 Guidelines on HF and ESC 2018 Guidelines on myocardial revascularization</i>	Alain Combes
12:00	Discussion	
12:30 LUNCH BREAK and INTERACTIVE INDUSTRY EXHIBITION		
13:30	Session 3: The Cardiogenic Shock Network MDT I <i>Chair: Richard Trimlett, Julia Grapsa, Jonathan Hill</i>	
13:30	Recorded MDT case and debrief	Susanna Price
14:00	Faculty Interactive MDT case	Mohammed Aktar Faculty Members
14:30	Discussion	
15:00 COFFEE BREAK		
15:20	Session 4: The Cardiogenic Shock Network MDT II and the Future <i>Chair: Rasha Al-Lamee, Alistair Proudfoot, Phil McCarthy</i>	
15:20	Did the MDTs follow the guidelines? <i>The ESC 2018 Guidelines on myocardial revascularization, ESC 2020 Guidelines on NSTEMI – ACS and ESC 2017 Guidelines on AMI-STEMI</i>	Adrian Banning
15:50	What is the future for cardiogenic shock management	Christian Hassager
16:20	Discussion	
16:45	Summary and closing remarks	Miles Dalby

Registration

Registrations can be made exclusively online on our website: zhh.ch/en/events/london-shock-2022

Non ESCMembers
ESCMembers (please provide ESCID number)
Paramedics, Residents & Students (age<35)
Registration will be confirmed upon receipt of payment
Limited numbers of places available for on-site registration

Regular Registration	Virtual Registration
GBP80	GBP60
GBP60	GBP40
GBP25	GBP20

Modification & Cancellation

All modifications or cancellations must be notified in writing (by mail, fax or e-mail) to Zurich Heart House. For each modification requested by the participant, GBP 15 will be charged for administrative costs. In case of cancellation up to 11th September 2022, deposits will be refunded less 35% for administrative costs. After this date, no refund will be possible.

Venue

The Royal Society of Medicine
1 Wimpole St, Marylebone, London W1G 0AE, United Kingdom

Accreditation

London Shock 2022 has been approved by the Federation of the Royal Colleges of Physicians of the United Kingdom for 6 category 1 (external) CPD credit(s).
