

CMC Grand Rounds in Cardiovascular Research

Dear Colleagues,

The Zurich Heart House would like to invite you to our upcoming Center for Molecular Cardiology (CMC) Grand Rounds webinar on

“Costimulatory and co-inhibitory immune-checkpoints in atherosclerosis: a balancing act”

Presented by

Esther Lutgens, MD, PhD

Prof. of Medicine, Mayo Clinic
Dept of Cardiovascular Medicine &
Immunology, Rochester, MN, USA

Date: Thursday, March 19th, 2026, 16:00 – 17:00 CET

Join for Free [HERE!](#)

Take the time to watch the CMC Grand Rounds – it is worth it!

We are looking forward to meeting you during this webinar.

Thomas F. Lüscher, FESC, FRCP

Giovanni G. Camici, FESC
