

CMC Grand Rounds in Cardiovascular Research

Dear Colleagues,

The Zurich Heart House would like to invite you to our upcoming Center for Molecular Cardiology (CMC) Grand Rounds webinar on

“Decoding inflammation in atherosclerosis: single cell RNA sequencing and spatial mass cytometry”

Presented by

Prof. Claudia Monaco

- **Professor of Cardiovascular Inflammation**
Kennedy Institute - NDORMS
University of Oxford
- **Hon. Consultant Cardiologist**
Echocardiography Department
OUH NHS Trust
JR Hospital

Date: Thursday, December 14th, 2023, 13:00 – 14:00 CET

Join for Free [HERE!](#)

Take the time to watch the CMC Grand Rounds – it is worth it!

We are looking forward to meeting you during this webinar.

Thomas F. Lüscher, FESC, FRCP

Giovanni G. Camici, FESC
