

CMC Grand Rounds in Cardiovascular Research

Dear Colleagues,

The Zurich Heart House would like to invite you to our upcoming Center for Molecular Cardiology (CMC) Grand Rounds webinar on

“Novel mechanisms and therapeutic targets in atherosclerosis”

Presented by

Prof. Dr. med. Christian Weber

- Ludwig-Maximilians-Universität München
- Institute for Cardiovascular Prevention
- Department of Medicine, Klinikum der Universität München

Date: Thursday, October 26th, 2023, 13:00 – 14:00 CET

Join for Free [HERE!](#)

Take the time to watch the CMC Grand Rounds – it is worth it!

We are looking forward to meeting you during this webinar.

Thomas F. Lüscher, FESC, FRCP

Giovanni G. Camici, FESC
